

Toshiba Tecra M2 Battery Replacement

This guide will show how to remove the battery.

Written By: Cindy Nguyen

INTRODUCTION

Removing the battery from your laptop is designed to be a simple process. No tools (besides thumbs) are required.

Step 1 — Battery

- Flip the laptop upside down so the back compartment is facing up.
- Place left thumb on the battery lock tab.
- Place right thumb on the battery release latch.

Step 2

- Slide both tabs outward at the same time to release battery pack.

Step 3

- Pull out the battery after it has popped out and set aside.
- ⓘ The battery and the battery cover are in one piece

To reassemble your device, follow these instructions in reverse order.
